

## Shoe Tying and Writing Made Simple Pre-K/K Workshop

### Schedule Your Own Workshop

Planning and sponsoring your own workshop can be a very cost-effective way for your organization to engage in training staff. We come to your facility, which is cost and time efficient. Our workshop is quite easy to coordinate and we can guide you through the process. Junction of Function® can customize this workshop based on your specific organizations adopted methodology and curricula goals and objectives. Our play-based, engaging, interactive workshop sessions are bound to excite and stimulate group participation.

To learn more about hosting your own training, please call [239-777-4009](tel:239-777-4009), or e-mail [ceuworkshops@gmail.com](mailto:ceuworkshops@gmail.com).

### ***The Benefits of Hosting Your Own Training***

- Get everyone “on board” all at once. You can offer flexible scheduling based on your staff needs.
- Half-day workshops can be scheduled during the week or on a weekend in either a morning or afternoon half-day session.
- Discounts available based on enrollment, which are cost-effective.
- 3.25 Contact hours certificate of completion is presented to attendees after course completion.
